

## CCL Laboratory Exit Survey\_BE\_COMP\_Div B\_FH 2022

Total points 0/0 ?

CCL Laboratory Exit Survey FH 2022-Faculty: Mrs. Reshma Koli

The respondent's email (**ameythakur@ternaengg.ac.in**) was recorded on submission of this form.

1 Enter your Full Name \*

AMEY MAHENDRA THAKUR

2. Enter your Roll No \*

50

3. Enter your division \*

☐ BE Div A

☒ BE Div B

☐ BE Div C

1. Are you able to explain need of cloud computing?(LO-1) \*

1

2

3

4

5

2. Are you able to list out various types of cloud services?(LO-1) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

3. Are you able to explain virtualization in cloud computing?(LO-2) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

4. Are you able to perform virtualization using VM ware hypervisor? (LO-2) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

5. Did you understand types of services offered by Amazon cloud?(LO-3) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

6. Are you able to used EC2 service of Amazon?(LO-3) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

7.Are you able to explain need of Identity Access Management (IAM) in cloud computing?(LO-4) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

8. Are you able to create users and different groups under root user account of cloud? (LO-4) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

9. Are you able to develop and deploy web applications on cloud? (using EC2, Light sail or other cloud service)(LO-5) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

10. Are you able to design 3 tier architecture? (LO-5) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

11. Did you understand difference between cloud computing and fog computing?  
(LO-6) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

12. Are you able to differentiate between IaaS, PaaS, SaaS? (LO-6) \*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
